Boil Water Rescind Notice

On July 14, 2015, the Texas Commission on Environmental Quality (TCEQ) required our public water system North Hardin Water Supply, PWS 1000015 to issue a Boil Water Notice (BWN) to inform our customers that due to an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of July 16th 2015.

If you have questions, contact Manager Bobby Rogers at 409-385-7355

If a customer wishes to reach TCEQ, they may call 512-239-4691.
