### **Boil Water Rescind Notice**

On March 18<sup>th</sup> 2016, the Texas Commission on Environmental Quality (TCEQ) required our public water system North Hardin Water Supply Corporation, PWS ID 1000015 to issue a Boil Water Notice (BWN) to inform our customers that due an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of March 22, 2016.

If you have questions, contact Manager Bobby Rogers at 409-385-7355.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
