

PUBLIC NOTICE

North Hardin Water Supply Corporation will be conducting repairs on a water main located on Willis Road in Silsbee beginning the morning of September 30, 2025. In the event of bad weather, work will be rescheduled for October 1, 2025.

Our crews will work as quickly and safely as possible to complete the repairs. During this time, customers in the affected area may experience service interruptions and/or temporary water quality issues.

We will also be flushing lines in the area to help eliminate any issues and restore water quality as quickly as possible.

Please check your water quality before using it for laundry, dishwashing, or other household needs. If you notice any issues, contact our office immediately.

Thank you for your patience and cooperation as we work to improve our system.
